Customer Reviews

Garfield is the most widely syndicated comic strip in the world. Garfield, the lasagna-loving fat cat, lives in Muncie, Indiana, where he is kept well-fed by his creator, cartoonist Jim Davis.

My son is in a dual language program and I have a hard time finding fun Spanish books for him where we live. He has read this many times now and loves it!

A great comic book full of Garfield humor. My son (3rd grade) loves it and loves to read it aloud. It is a great way to keep him reading in Spanish and learning new vocabulary while letting him enjoy reading as well.

Great support for my Spanish students.
