Mad Libs is the world-famous word game that has been delighting fans of all ages since its invention in the 1950s by Roger Price and Leonard Stern. Fill in the blanks of a Mad Libs with any words you choose, and become the author of your own story!

If your kids are gumball fans they will get a kick out of these. My kid do them together since my 4 year old obviously can't do it alone. Great my 10 year old daughter since you have to add verbs nouns etc.

I buy these for my son when we go on drives. I believe all mad libs promote story writing and creativity. Even cooler that it's something relatable like a cartoon like Regular show or Gumball.

I love doing MadLibs with my son. These are pretty silly but we get to practice parts of speech while spending family time together. Lots of laughs...so worth it.

Had some great laughs with my kids with this mad libs. Great rainy day activity

I got this for my son as a stocking stuffer and he loves it. He has already filled up all of the pages and loves rereading them to the whole family.

My son loves Mad Libs and had a blast with this one, as he really likes the show. Two thumbs up!

My nephew got a kick out of these! Good entertainment! Good value!

Great for kids
