Michelle Paver (www.michellepaver.com) is the bestselling, award-winning author of Dark Matter, the Chronicals of Ancient Darkness, and the upcoming Gods and Warriors series, among other books. Roger Lancelyn Green (author) was a British author primarily known for his retellings of Greek and Egyptian myths, including Tales of the Greek Heroes, The Tales of Troy, and Tales of Ancient Egypt.

It gives you a very interesting glimpse into Norse Mythology by providing a story, instead of several

different accounts with different gods. This travels in a single line from the birth of the Tree of Life to the Ragnarok.

Bought this for my little one's library we are building for him. Mythology is so interesting and really gives us a glimpse into the lives of our ancestors. This book has many myths and they are not watered down. Very nice edition for the money.

Great book. Loved it immensely. Learned so much . . . about how Odin came to only have one eye, how Thor got his hammer, Mjolnir, how Loki came to be a part of the Aesir, etc. Fabulous stories told well.

Great intro to Norse mythology! I grew up hearing the myths and having an introductory book on hand to brush up stories on is great!

A great way to get all the Norse myths in an easy to read format.

Really nice size to take with you anywhere, and the stories , AMAZING !

Just what I was hoping for

perfect
