Exercices Audio De Grammaire: Niveau Intermediaire (French Edition)

Synopsis

Les Exercices audio de grammaire proposent des dialogues enregistrés et illustrés mettant en scène des points de grammaire dans des situations de communication courantes. À partir de ces dialogues, des exercices de systématisation de type questions/réponses permettent à l'utilisateur de comparer sa production aux corrigés enregistrés. Cet ouvrage est un véritable cahier d'exercices puisqu'il offre la possibilité de répondre par écrit aux questions. Chaque page propose à l'étudiant une mini-grammaire de référence. L'image qui sert de support au dialogue contient en outre de nombreux éléments exploitables de manière interactive en grammaire, en vocabulaire et en communication. Cet ouvrage peut aussi fonctionner avec 5 CD audio collectifs (code à 032286) ou 4 cassettes audio collectives (code à 032287).

Book Information

Paperback: 95 pages

Publisher: Cle Intl; Pap/Com edition (June 2002)

Language: French

ISBN-10: 2090337281

ISBN-13: 978-2090337280

Product Dimensions: 0.2 x 7.5 x 10.5 inches

Average Customer Review: 3.9 out of 5 stars 3 customer reviews

Best Sellers Rank: #79,012 in Books (See Top 100 in Books) #46 in Books > Travel > Reference > Phrasebooks #109 in Books > Textbooks > Humanities > Foreign Languages > French #758 in Books > Reference > Dictionaries & Thesauruses > Foreign Language Dictionaries & Thesauruses

Customer Reviews

This is O.K. It is very good, I love it. I can profit from it. This I do recommend. I am a language teacher and I can see that is very well prepared Yours. Haydee

Excellent book to complement your teaching in the classroom. Great audio quality. The content is somewhat scattered, but it will be a great support material.

This is my favorite French audio material of all that I have been able to find. I think even a complete

beginner could learn a lot by listening to the recordings of the first 20 or so chapters and trying to do the exercises. Each chapter begins with a conversation between two people about some topic that focuses on a point of grammar, followed by usually at least sixteen verbal exercises for the listener to practice the point of grammar. After each exercise, there is silent audio space to verbalize what you think is the answer, and then the correct answer is given. There are 80 chapters, so there are approximately 1200 audio exercises in all! I have been using this audio material for at least a year and it is still the most interesting and useful of all that I have. I am at an intermediate level now and I find the intermediate level audio exercises challenging and fun, the more advanced exercises are still a little beyond me, but I like to try them anyway, and I still enjoy going back to the beginning and reinforcing the initial material and sometimes learning something new. I have found the book useful mainly for confirming my understanding of the audio material, especially for the conversations that precede each set of audio exercises. The book is an exact written mirror of the audio material, which is really useful sometimes. The book can be used to learn correct writing, and at the end of the book, there is a "corriges" section. I wish there were more book+CD combinations like this one in existence. You can probably order it from .co.uk or .de.
