Chloe's Summer Job (Chloe's Education Book 1)

Synopsis

In the summer before college, Chloe is about to get an education in domination and submission. Kara, her occasional friend, offers her a position working at her mother's swimwear design studio. But Kara's interview consists of an introduction to lesbian sex and bondage! And then at the studio, all the employees are female, and gay, and they, as well as Kara's mom, decide to lend a hand teaching the lovely blonde Chloe about discipline, obedience, and how to please women!
