Jim Morekis grew up just a stone's throw from South Carolina's Savannah, Georgia; and he's used to Charlestonians regarding his hometown as a wayward little sibling. As a young boy who loved history, Jim was fascinated with the home of the Swamp Fox and its key role in the Revolution and the Civil War. As he got older, he discovered a more important truth about the Palmetto State: Few places in America provide such a wealth of experience in such a small package. Jim's favorite South Carolina pastimes include relaxing on Edisto Island, eating shrimp and grits in Charleston, waterfall-spotting in the Upstate, playing miniature golf at Myrtle Beach, enjoying a cold brew in Columbia's Five Points, walking through old cemeteries, and listening to Dizzy Gillespie while in the jazzman's hometown of Cheraw. He is also learning to appreciate stock car racing. Jim works as a journalist and travel writer, and in his spare time enjoys going shopping with

his wife Sonja and daughters Sophia and Alex on Charleston's King Street.

Good guide book to give to clients. They were happy with it and used it for their trip. It was well written and easy to look up information.

I gathered more info on Myrtle Beach from the local newspapers and online and free brochures, then this little book gave me. I was expecting a bigger book for the price. Waste of my money and time.

we have been going to Myrtle Beach for years so we were able to find a few new things to see & do, thanks!
