Ekklesia: Rediscovering God's Instrument For Global Transformation

Synopsis

Dynamic New Teaching from Bestselling Author Ed Siloso
The word church has many connotations; we think of it as a specific building, as a group of people, even as a long service to sit through. We hardly ever think of it as world-changing--and neither does society. Yet this is exactly what the first-century ekklesia was. In these vital, eye-opening pages, bestselling author Ed Siloso takes you back to the first days of the church. Digging into Scripture, he shows how the New Testament church--devoid of buildings, professional clergy, and religious freedom--was able to transform the hostile, pagan places into which it was born and set in motion a process that changed the world forever. Even more, Siloso offers a roadmap back to becoming the ekklesia Jesus called his church to be. In the midst of the social, economic, political, and moral chaos in our world today, we possess the hope that people and nations so desperately need--and we can become the revolutionary, transformational, life-giving voice Jesus called us to be. A new, in-depth curriculum kit--which features a DVD with 12 brand-new teaching sessions, a group guide for both leaders and participants, and a copy of the book--is also available. Expounding on the book's dynamic teachings, each kit contains everything you need to equip your group to transform the world around them.

Dr. Ed Siloso, founder and president of Harvest Evangelism and the leader of the Transform Our World Network, is a strategist and Bible teacher who specializes in nation and marketplace

transformation. Trained in both theology and business, he is the author of numerous books, including the bestselling *Anointed for Business*. His work experience includes banking, hospital administration, financial services and church ministry, as well as coaching leaders on how to take the power and presence of God into the marketplace to see their sphere of influence transformed. As a strategic thinker with a passion to equip ordinary people to do extraordinary things, Dr. Silvos has spent his lifetime mining life-giving biblical principles for transformation to link them to practical application for today's Christians, their families, their sphere of influence and ultimately their communities and nations. Dr. Silvos and his wife of 49 years, Ruth, have four married daughters and twelve grandchildren. Connect with Dr. Silvos at: www.transformourworld.org www.edsilvos.com

It's no secret that the Church today has lost its influence in culture. But why? With the technology, affluence and knowledge we have today, why are we less effective than the first-century Church--which didn't have social media or fancy buildings or professional pastors or even religious freedom? What are we missing? In these vital, eye-opening pages, bestselling author Ed Silvos digs into Scripture, unearthing Jesus' true design for His Church--His Ekklesia. He shows how the early Church was a radical, countercultural force of people who transformed the hostile, pagan places in which they lived. Here Dr. Silvos shows how we, in the midst of the social, economic, political and moral chaos in our world today, can once again become the revolutionary, transformational, life-giving Ekklesia Jesus called us to be. "One of the greatest books of our lifetime. Brilliant, inspired, profound and challenging."--BILL JOHNSON, senior leader, Bethel Church, Redding, California "Ed not only talks vision, he has achieved results."--LOREN CUNNINGHAM, founder, Youth With A Mission "A message that reveals how to see Kingdom principles implemented in a masterful yet practical way!"--CINDY JACOBS, Generals International "Not just an important book to read and digest--it is an extraordinarily important book!"--C. PETER WAGNER (1930-2016), Global Spheres, Inc. "This book takes us back to the true callings of Christ. I enthusiastically recommend it."--STEVEN K. SCOTT, author, *Jesus Speaks* "Ed has created another masterpiece in Ekklesia."--OS HILLMAN, president, Marketplace Leaders "I promise you that Ed's insights will transform your understanding of the plan of God for individuals, churches and ministries all over the world."--DR. JOHN JACKSON, president, William Jessup University

Ed Silvos does it again. In Ekklesia he manages to put into words what many younger Christians are thinking 'Surely there must be more to church than Sunday meetings'? The book is great re-look

at what Jesus intended His church to be; radical and transforming society. It helpfully shows how this was derailed and what God's heart is to bring it back. Probably Ed Silvoso's best book yet (and he has written some very good ones) and very timely as God is calling His church out of the building to demonstrate His love to the world around us. Highly recommended

Loved the book. After I read it I also read Prayer Evangelism. Now the challenge is to live it. Ekklesia - Two or more people come together anytime, any place and advance the Kingdom of God. And much more!

A must-read for Christians everywhere! Mind-blowing perspectives for our end times.

Revelatory about the Kingdom and how it transforms people and places. Once I got into it, I couldn't put it down.

Good reading, Got me all excited!

This book shows how the ekklesia can function in the earth today! Very inspiring and encouraging!

Excellent book.....

One of the clearest representations of our directive from the gospel. One of the most important books for the church today.
