Made it through the first section only to realize the answer key on the first practice test is incorrect. Question 18: "Since 1965, most immigrants to the United States have come from what region?" The answer key says the answer is "D" Antarctica. Another one is #16: "The presidential cabinet has which of the following duties". The answer is obviously "Advise the President" but the answer key says it's "Preside over the Senate"????

Great book for studying or just a history/government/geography review!

When I received this book, it came in very good condition. The pages are clean and crisp, as if just printed an hour ago. The packaging was outstanding and easy to open. As I turn the front page, I find a note saying I can receive a free DVD to go along with the book! This helped a lot with my test taking prep process because of the easy to follow setup. I flip through the book and the pages are filled with information in an easy to understand format. Throughout the book, there are small tests that you can take to test your progress and to evaluate what you need to study more. The prep book covers-Quick Overview-Test-Taking Strategies-U.S. History-World History-Government/Civics/Political Science-Geography-Economics-etc.....

I have been using the Praxis II Social Studies Content Knowledge Study Guide and I have found the format perfect for covering pertinent information and presenting it in a way that enables retention. The focus on the important stuff is essential to doing well and this provides just that. I would recommend it to anyone without hesitation.

Very comprehensive product with many different categories and even extras like free offers. There are different practice tests for each category, and 1 overall test. I highly recommend this if you want to raise your score.

My boyfriend is studying for his GED and this is helping a bunch. He wants to be a teacher one day too so this works great. This hit two birds with one stone! Thx

This book shows what's on the test and what you will be tested on. Has great practice test.

Very easy to understand and great guide!
