An Affair In Winter: Seasons, Book 1

Synopsis

Widow Rosalinde Wilde is on her way to her beloved sister's wedding when an unexpected storm waylays her at an overcrowded inn. There she meets a tempting stranger who sweeps her into a night of unforgettable passion. Grayson Danford never expected a night with the irresistible Mrs. Wilde, but she was a welcome distraction from the unpleasant duty of breaking up his brother's impending nuptials. He's shocked when he discovers his passionate lover is none other than the sister of his brother's intended. Now Rosalinde and Gray will butt heads, even as their simmering desire for each other threatens to boil over. Who will win? And who might lose it all?

Customer Reviews

Great book

The heat takes off early, and doesn't cool down. As with most historical romances the story is a bit predictable. I still enjoyed reading it, and look forward to reading more of the series.

Great story and interesting characters

LOVED it - we;; worth the read!

I very much enjoyed

Fast fun reading. I always enjoy reading books by Jess Michaels. Her books are always well written and you can visualize the Characters as she brings them to life.

This was a great read. Likeable characters with a few unexpected twists. Looking forward to reading the next. Jesus michaels never disappoints.

A good and passionate story to read. It keeps you on the edge of your seat throughout the story. A great story to read, so find a quiet corner and prepare to stay out till the end.
