Stephan Pastis is an attorney turned cartoonist. A graduate of the University of California, Berkeley, and the UCLA School of Law, he worked as a lawyer before trying his hand at cartooning. Pastis lives in the Bay Area with his wife and two children.

Great. Now if only there was a wall calendar of this.

This desk calendar brightens my day by giving me a second dose of PBS every day. I order one every year from my favorites (Get Fuzzy the past year with occasional forays into Dilbert territory). By adding a Sunday strip instead of giving us a four-panel strip for Sat/Sun, this desk calendar beats "Get Fuzzy."

Bought this for my grandmother for Christmas because she's a huge Pearls Before Swine fan. She reads the comics everyday and even mails me some of the funniest ones from time to time. So happy I could get her something that makes her happy everyday!!

I get the PBS calendar every year. My coworkers enjoy reading it too.

Amazing! Makes me start every morning with a laugh. Pastis is a genius, and never fails to disappoint.

If I didn't order the Stephan Pastis Pearls Before Swine desk calendar for my husband each Christmas, he would be terribly disappointed and think that Santa no longer cared for him!! We both love the comic strip in our local paper and when I found the desk calendar a few years ago, it has become an annual tradition for daily laughs.

Each day presents a remarkable funny comic courtesy of the remarkable hilarious mind of Stephan Pastis. It almost makes it okay to get out of bed and face the new day!

Great way to start the day
