Customer Reviews

Hip-hop is the streets. It's blunt. It's raw, straight off the street - from the beat to the voice to the words. Those words motivate us and mold us everyday. Carl Michel has crafted his first book 365 Hip-Hop around that concept and love of the art form. It is a excellent read for anyone looking to be inspired and motivated by an art form so close to our hearts!

I like what I like. I do a lot of reading of short articles, magazines and books because I get bored

easily. I have not been able to put this one down! Though there is one for every day, I find myself going back to read messages from previous days. Hip-Hop affirmations that you find in here can and do apply to people of all ages, nations and races! The perfect way to start your day is with daily motivational quotes and affirmations from this book!

What a great way to take the music we all love, and make it a daily inspiration and devotional. Happy to have found this book!

Hip Hop is no longer dead!!! THANK YOU CARL MICHEL FOR THIS GREAT READ!!!

interesting read. some of his synopsis of the verse content is a little off or unrelated. some verses are very conceptual or contextual and he doesnt make the connection apparent. this is what the thesis of the work is supposed to be about. It does have a nostalgic value especially if you were deep into hip hop in the 90s like i was.

Still reading this book. I share daily motivational messages from it to my nephews and its shared also to a young fatherhood program. Something we all need. Hip hop is not just about the music and beats, there is a message! This book captured just that!

Fresh perspective! Inspirational without being preachy, I love it!

This book is wonderful. I am surprised at how the daily quotes are synchronized with my daily battles. Glad to have it and would recommend it to anyone that enjoys a few words of wisdom to brighten up their day. Wish the fabulous art work was in color though. So good.
