"L'Amour never writes with less than a saddle creak in his sentences and more often with a desert heatwave boiling up from a sunbaked paragraph. A master storyteller.... for reading under the stars."—Kirkus Reviews—This text refers to an out of print or unavailable edition of this title.

With more than 120 titles still in print, Louis L'Amour is recognized the world over as one of the most prolific and popular American authors in history. Though he met with phenomenal success in every

genre he tried, the form that put him on the map was the short story. Now this great writer - who "The Wall Street Journal recently compared with Jack London and Robert Louis Stevenson - will receive his due as a great storyteller. This volume kicks off a series that will, when complete, anthologize all of L'Amour's short fiction, volume by handsome volume. Here, in Volume One, is a treasure-trove of 35 frontier tales for his millions of fans and for those who have yet to discover L'Amour's thrilling prose - and his vital role in capturing the spirit of the Old West for generations to come. --This text refers to an out of print or unavailable edition of this title.

I purchased this book for my husband. He has read the majority of western in existence and loves Louis L'Amour. He says he enjoys these because he can sit down and read every evening and have a reason to stop at a reasonable hour. If you are a avid reader you understand that once you start a good book you just can't stop reading until the end. With these he reads a few short stories and calls it good. He has started paraphrasing the stories to our sons 4 and 6 and they are also enjoying these books. He says it is almost always the same story line, but the details are what makes it so interesting.

ok

Nice short stories but when you get into it the story ends - stories are too short !

I enjoyed this collection of short stories immensely. Soon as one ends you can't wait to start on the next one. I especially enjoyed the stories that kept some of the same characters and locations. Great read.

Great read. Good selection of short stories.

I love that I can pick out one of his short stories and by the second line we are into the story. Never wastes our time!

As good as all his other stories.

It is working great
