Thanx;)

This book arrived as described and also arrived way earlier than expected. I was very please this purchase.

Great book, I should have bought it instead of renting.

The book looked new & full of life.

This is a great compilation. The readings cover a wide variety of family, social, and intersectional issues with well-researched data and, for the most part, very readable voices. It's been my favorite "textbook" as an undergrad.

The binding was a little torn, but nothing a little tape couldn't fix. Many very very interesting reads!
