Discovering French Nouveau: Student Edition Level 2 2004

Many text series for teaching French make the mistake of presenting everything (grammar explanations also) in the target language. Discovering French presents grammar explanations in English, rendering this more student-friendly. The ladder of language acquisition is also obvious to the student as well as the teacher; this is a good thing. Authentic French is not so overdone that the student feels swamped with new structures; the level of difficulty increases with instruction. These features make for a usable French program!

I am a tutor, and this book helped me prepare for lessons. It is very user friendly and easy to follow.

Just what my daughter needed to continue her French lessons. Good quality, price & service...came quickly!

This book is easy to navigate, and also helpful even if French 1 isn't totally mastered.

My teen lost their school textbook and the school wanting a very expensive price. Thanks to we were able to purchase the exact one for a less amount which I am so thankful for and the book is even in better condition than the one that was lost.

A+ transaction. Text was in excellent condition and at a good low price.

Haven't used it much, but the product itself was in great shape!

Love this book!
