Customer Reviews

'the answer to every short-breaker's dream ...The jewel-coloured guides look beautiful and are exquisitely designed.' The Times '...gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'packed with insider knowledge and eye-catching photography' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

Not an exhaustive travel guide by any means, but it covers a lot of trendier / hipper attractions. The back has adequate space for map making (graph paper included) and note taking. If you're in the

market for a companion to a bigger more thorough travel guide and are into trendier sights then the Wallpaper guide is a good pick. It could be more in depth for sure and a better mix of attractions aimed at all price points would be nice, but it definitely has some good sites to see and as previously stated will make a good companion to a larger travel book.
