St. Peter's Basilica And St. Peter's Square In Few Hours, 2012, Travel Smart And On Budget, Explore The Most Important Vatican Monuments In Just Few Hours ... Rodin Travel Guides - Travel Guidebook)

Synopsis

St. Peter's Basilica and St. Peter's Square in few hours, by Goran Rodin is the cheapest, most extensive and great value source of information. Except basic information about St. Peter's Basilica and St. Peter's Square, book gives exact route on how to reach Basilica and Vatican from the Railway Station. Here is shortened 3000 years of history of Rome, Vatican and Vatican City with photos of the greatest monuments which are easy to recognize when in Rome. Given timeline from Roman Kingdom and Roman Republic to the Roman Empire, Middle Ages and Modern days, made history of Rome a piece of cake. Follow guided tour of Basilica and visit: 1. The Holy Door 2. Michelangelo's Pieta 3. Chapel of St. Sebastian and Tomb of John Paul II 4. The Blessed Sacrament Chapel 5. The Bronze Statue of St. Peter Enthroned 6. The Altar with Bernini's Baldacchino 7. Area of the Confession and Tomb of St. Peter 8. The Dome 9. Cathedra Petri 10. Monument to Alexander VII 11. Altar of St. Joseph 12. Main Sacristy 13. Saint Peter's Treasury 14. The Treasury Museum 15. The Monument of Pius VII 16. Chapel of the Choir 17. Altar of Immaculate Conception 18. Pier and Statue of St. Longinus and entrance to the Vatican Grottoes 19. The Vatican Grottoes 20. Inscriptions on the Basilica Floor 21. Visit to the Dome For only 1.99\$ great heritage is on your fingertips. St. Peter's Basilica is great and truly big monument, the most important catholic ornament on the earth. Good thing is that there is no entrance fee to the Basilica, but entrance queues are a big headache. The only advice from my side is to get early to the Square and be in-between the first ones to visit Basilica. If you have intention visiting the Dome, visit the Dome first. As you'll enter to the sight turn right in front of Basilica and you will be able to buy the tickets and get to the roof and the Dome without queuing; after that visit Basilica, and the last would be the visit to Papal Tombs. Visit to the Dome is 7,00 Euros and you cannot buy the tickets in advance. In the morning line is short and there is no need to wait more than 5 minutes. Later, during the day, waiting time climbs to 30-60 minutes.

Customer Reviews

I did not expect this book to be anywhere near as good as it is. Alas, I didn't read it until after my 2-week trip to Rome a couple of years ago, but I will definitely have access to it the next time I'm there. There is very little padding; don't expect the nicely illustrated book to be just another "Eyewitness", Michelin, or Frommer's Guide, etc.--although those are very good books. But this Rodin guide covers, succinctly, what you really need to grasp and appreciate what you are in the midst of: the spiritual pinnacle of Catholicism, indeed, of all Christianity--and you will be a better, more appreciative and enlightened pilgrim because of it. **HIGHLY RECOMMENDED.**
