The book is good..

Great book!

Got it for a class that I wasn't able to take. Not a great self-education book, but I am sure for a classroom, it will be fine.

Very happy with the purchase, exceeded my expectations. The book arrived on time in the condition described.

Book is new like described, the price is fair. I will recommend this seller to anyone.

beginning to learn French.

This book provides all the elements for a one-year course that will help students learn basic communicative skills in French. It incorporates and reflects the National Standards for Foreign Language Learning in the 21st century: Communication, Cultures, Connections, Comparisons, and Communities. The book is designed to help students attain an acceptable level of proficiency in the four basic skills: listening, speaking, reading, and writing. French is Fun 1 requires the teacher to know French and is divided into six parts, each containing four lessons and a review. Each of the 24 lessons teaches vocabulary using pictures and provides a formal list at the end of the lesson. Grammar concepts are usually taught by example, leaving the student to puzzle out the rules. Each review chapter provides organized grammar rules for students who learn better that way. Oral exercises are provided in each chapter, with scripted questions and prompts from *Teacher's Manual and Key - French Is Fun Book 1, (3rd Edition)* along with written exercises. Each chapter has a funny story that showcases concepts to be learned. A cartoon conversation lesson adds comic relief, and a cultural section teaches about life in France. The final section allows the student to practice recently learned skills on authentic French material and to build self-confidence. We chose this method because my daughter wants to go on exchange to France but her school only offers Spanish & German. Her school uses *Spanish is Fun: Lively Lessons for Beginners, 4th Edition* in middle school and she was familiar with the format so we decided to start her home study even though she's now in high school.
