Fundamentals Of Nursing, 9e

Synopsis

It's your complete guide to nursing – from basic concepts to essential skills! Fundamentals of Nursing, 9th Edition prepares you to succeed as a nurse by providing a solid foundation in critical thinking, evidence-based practice, nursing theory, and safe clinical care in all settings. With illustrated, step-by-step guidelines, this book makes it easy to learn important skills and procedures. Care plans are presented within a nursing process framework, and case studies show how to apply concepts to nursing practice. From an expert author team led by Patricia Potter and Anne Griffin Perry, this bestselling nursing textbook helps you develop the understanding and clinical reasoning you need to provide excellent patient care. 51 skills demonstrations provide illustrated, step-by-step instructions for safe nursing care – and include rationales for each step. 29 procedural guidelines provide streamlined, step-by-step instructions for performing basic skills. UNIQUE! Critical Thinking Models in each clinical chapter show how to apply the nursing process and critical thinking to achieve successful clinical outcomes.

Family Department of Nursing and Health Sciences, University of Evansville, Evansville, IN

The book came in good condition, but the book itself is so boring and constantly repeats itself it is hard to read.

This book was essential for my class and I found it helpful reading through it.

Brand new no marks or anything was exactly the book i needed

Book seems to be brand new. Nothing wrong with it. Great price. So glad I went with on this one.

Great product and fast shipping!

Much needed!

yup

Ok
