This made a nice Christmas present for a scrabble lover

kn ow it will be great when 2015 arrives to look at it

The box was damaged and the cellophane wasn’t on the calendar. Had intended to give it as a gift but had to throw it out instead.

Not what I expected.

Ever since they switched to the color format, the calendar has been a disappointment. This year is no different. The variety of puzzles is still very limited. The answers are still on the front instead of on the back, so it’s very very easy to accidentally see the solution. All in all, a one-star product for all but the most casual of people who enjoy word games.
