## Synopsis

Joining their owners at cafÃ©s, in shops, and just about everywhere else, dogs have always had a special place in French life. In *The French Dog*, bestselling animal photographer Rachael McKenna (nÃ©e Hale) has captured a host of unforgettable dogs—dachshunds, poodles, Labradors, bulldogs, and more—in a variety of stunning locations, from stately chateaux to chic Paris addresses to cobblestoned streets in quiet villages. A follow-up to the popular book *The French Cat*, this photographic exploration of the captivating canines of Rachael's adopted home also shares her experience living in a new country with her young family. Artwork and quotes from famous French dog lovers and literary greats are also included, making this an irresistible read for Francophiles and dog lovers alike. Praise for *The French Dog*: "These photos make me incredibly happy." • Amy Azzarito, Design\*Sponge "The idea behind Rachael Hale's stunning new photography book is simple: Everything looks better in France." • Metro "It's the next best thing to a trip to France with your dog in tow." • Modern Dog Magazine

This is a lovely book. I bought this one for me when I got The French Cat book for a friend. The cat book is superior IMO but this is still a lovely book.

I'm a cat person mainly, so of course I bought "The French Cat" first. "The French Dog" follows the same scent, by imaging dogs in magnificent French surroundings. These are gorgeous portraits of pets with an incredible backdrop. I did enjoy "The French Cat" more, simply because of my love for cats, but this volume was worth every franc! Highly recommended!

This book is beautiful! The photography is amazing but I love how it chronicles the synergy of man and dog in France! Dogs are really that integral of daily life for the French. The first time I went to Paris, I was enamored that people took their dogs everywhere! Markets, parks and work! I would love to live that lifestyle...or better yet, be that dog!

Just purchased this book and will buy three more as gifts. The photos are amazing and truly original and beautiful - Bravo to the photographer! A must for all animal lovers. Thank you!

Great book -- especially enjoyed the photography. I appreciated the creative direction of the book and the light feel of the subject. I could enjoy the imagery without feeling like I was reading an encyclopedia. I will share this book with family and friends!

A more in-depth French Dog book from the mini. Interesting quotes. The French pups make me smile.

I already owned Rachael Hale McKenna's "The French Cat" book so this was a no brainer. It does not disappoint. Lovely photos transport you to wonderful French villages in which to admire these amazing creatures! Love everything about this book. Thank you!

Beautiful photos and love the stories about the local dogs that are in the photos...great conversation piece that I display on the coffee table all year.
