this was purchased for a christmas gift. i think the book(let) seemed to be a bit small in size (look at specs). I think it needs to be larger to enable the person using it to not have to try to figure out how to keep it open and not shut. if it was bigger in size it could hold itself open and easily be propped open. just saying. otherwise the receiver of this gift loves this song book.

made a great gift

I got this as a Christmas gift for my brother in law, he LOVES Johnny Cash and he is a beginner playing guitar and found this book to be easy to read. The diagrams for the chords are easy to

follow and it's a good little book for anyone who wants to learn a Cash song!
