The remainder of the book provides photographs of demonstrations of set-ups for flower paintings with the artist's narration. This is instruction for serious oil painters who believe in hard work and perseverance. Copyright 1992 Reed Business Information, Inc.

Just what I needed

This book is a great book, the flowers are perfect and it is a great help with composition and color. I paint in watercolor but ordered the book for these reasons. I have loaned the book to a friend who loves oils and she is going to order the book as well. Stunning paintings and the use of color is wonderful

Joyce has a very good approach for layering, colors, shading and mixing. Her instructions are easy to follow and easy to duplicate. She gives instructions on a very wide variety of flowers and possible settings, vases, shadows and fill items.
