Customer Reviews

My Granddaughter loves it! This is a great folder to get kids interested in coin collecting. It is for collecting easy to find modern pennies so it shouldn't be too difficult (and it's cheap) for the kids to fill by looking through pocket change.

This series of coin folders is a great entry to coin collecting for youngsters. Our 8 year old has had no difficulty getting the coins locked in to place and they fit snugly enough that I foresee no risk of them falling out later. She also finds the information in the folder interesting. Great product. I will recommend it to anyone looking for something to help get a kid interested in coin collecting.

Collected coins and gave as a gift to a seven year old boy in Eastern Europe.

A little boy of age 8 his mother reported to me he loved doing his coin book and the whole family enjoyed it as well. Very nice coin book and coin book for kids is a great idea! A real keepsake for sure!! signed the back of it along with his Name & birthdate, he Thank and Thank me!!

Pennies don't seem to fit properly

Good selection of the coins for an appropriate collection of the dates presented. Look forward to completing my collection. of the Lincoln cents.
