Customer Reviews

This is the perfect gift for any supernatural lover. most of the pictures are from photo shoots with good lighting so theres no odd photos from scenes they are acting out. this is a great cost too. im glad to finally pay under \$30 for a spn calendar. most pics are of sam & dean.

Ive been a fan of Supernatural almost since the beginning and Ive purchased calendars before that left a lot to be desired. Old, sometimes grainy photos or slightly off focus photos were used. Sometimes it was simply a poor choice of photos being used. Im happy to say this calendar rises above all that in every respect. The pictures are clear and bright with good subject matter. Photos are recent and not from nine seasons ago. Very happy I made this purchase. I find myself looking forward to turning over the page with each coming month.

My daughter LOVES Supernatural and had this calendar on her wall all through the year. There was nothing inappropriate in the calendar and the pictures were entertaining. It was also a good size--not too big for the wall, but not too small to write in the squares.

Come on - it's Supernatural! Of course it's 5 stars!!!! Great photos :)

I love this calendar. I bought it to replace my existing 2014 Supernatural calendar for 2015, and I am very pleased with it. The images are all very crisp and clear, and both boys as well as Castiel are represented. The pages are also very large, so if you want to write in birthdays/appointments/etc., there is plenty of room to do so. Wonderful!

This is not a book, so I don't know why this is asking for a book review. However, I love this calendar.

Managed to keep demons out of the office by having this hanging on the wall.

I love that this calendar has photos from last season (season 9). J2 only gets sexier with age and the photos are just ridiculously hot! I also love having pics of Cas and Crowley in the calendar.
