My Bible Study Journal: A Creative Christian Workbook: A Simple Guide To Journaling Scripture

Synopsis

This bible study journal is a keepsake journal to record your Bible study notes and teachings. It is not a devotional, however an open guide to record your personal quiet time in the Word. It holds 3 months of daily journaling pages that are intentionally laid out into three sections to cultivate your relationship with God as you study the Word. Each journaling page includes a section for "Scripture", "Notes & Reflection", and then "Prayer & Praise". In the section titled "Scripture", it is recommended that you write down the Scripture passage that you are studying. By writing down the verse, it will help commit the verse to memory and establish a stronger connection and understanding. The "Notes & Reflection" section is a space where you can write down important aspects of the story that stand out to you and your own thoughts and reflection on the passage. And finally, the "Prayer & Praise" section is a space where you can pray over what the Lord has taught you and give thanks. You can also use this space to write down your daily prayer requests. We truly hope this simple and beautifully designed journal enriches your quiet time in the Word!

Customer Reviews

Not a hardback cover, but pretty. I didn't know what the inside pages looked like when I bought it since there were no pictures of the inside. I posted a picture here so you can see.

I absolutely love this Bible Study Journal. It is just what I was looking for. Each page has a place for the date, scripture, notes & reflection, and prayers & praise. There are a few pages throughout with wording such as, pray without ceasing, or God is good all the time. I'll be sketching on these pages

as the Spirit moves me. There are 96 pages to write on not counting the pages with the wording. It's nice and I love that it doesn't have a spiral. great journal for the price!

Great for journaling on your own or with a bible study group! Also loved the inspirational divider pages!

I like this notebook....it's like a guide to laying out your thoughts

love it

It was/is perfect! Everything that I needed for my Bible study.

It's perfect

I needed a journal that could help me keep my notes more organized. I love how the pages are split up between scripture, notes, and prayer!
