Customer Reviews

I bought this as a gift for my lady. She kept it at work, so I only know what she has said about it. She has enjoyed it. Some of the quotes are pretty cheesy, as you might imagine, but some of them were pretty powerful, or at least resonated with her at that moment on that day. She's had no complaints, though.

This is one of my favorite inspirational gifts to give. It puts a smile on your face each day.

I love inspirational calendars and this one is great, I had one last year and looked forward to this years!

I enjoyed having this at my work desk. It had awesome inspiring quotes and I even kept a bunch to turn into a motivational collage.

Nice quotes on each page. Good variety. Recommend this desk calendar.

Every page is super colorful, and the quotes are nicely chosen. The words and fonts are cheerful and colorful as well, which matches the message itself. Also, I really like that on the side, you get the "calendar view" of the entire month, so that it's more than just a daily calendar.

It is a good motivational calendar. The only reason I will not give it a five is because I wished the messages were bigger

I expected better quality pictures from looking at the front picture at the web. The quotes are also not very inspiring...
