The Transformative Power Of Near-Death Experiences: How The Messages Of NDEs Positively Impact The World

Synopsis

Near-death experiences (NDEs) are often transformative, not only on an individual level, but on a collective level too. This book contains a selection of inspiring stories from ordinary people who have had extraordinary experiences that have changed the course and direction of their lives and opened each and every one of them to the power of divine love. Recent years have seen a dramatic change of attitude towards NDEs. Unfortunately, the ongoing debates about NDEs have detracted greatly from the very important transformational effects that NDEs have and how empowering they can be for the whole of mankind. The NDE instils knowledge in those who experience it that we are all interconnected and part of one great whole. This book aims to inspire people from all walks of life, creeds, cultures and faiths to the transformational power of the message of NDEs and show how the love experienced during the NDE has the capacity to heal minds, bodies and souls.

Customer Reviews

Extraordinary transformation results from NDEs in the lives of the experiencers themselves, and this book explores many such life-changing stories in a most revealing fashion. One of its greatest gifts is its comforting portrayal of the infinite healing power of love, and the sense of connectedness with the universe that arises from such profound experiences. Science is on the cusp of a major awakening as NDEs and similar spiritually transformative experiences demand more complete explanations, all opening the door to a more meaningful understanding of the nature of consciousness, and of all of existence.--Eben Alexander MD, Neurosurgeon and author of Proof

of Heaven – and – The Map of Heaven The book can do more to release humanity from its fear of dying than any book in recent memory. – Neale Donald Walsch, International bestselling author An enthralling read that encapsulates the positive impact Near Death experiences are having on people and the wider world. The work done by Penny Sartori and Kelly Walsh truly reinforces the important message that we are all one, all connected and that love is the most powerful source in the universe capable of healing the world. – I highly recommend this well written and thought provoking book. Not only are part of the proceeds earned from the book being used to make a difference in children's lives, this book has the power within its pages to open the hearts minds and souls of every person that reads it. – Anita Moorjani, New York Times Best Selling Author

Dr Penny Sartori PhD, RGN is an expert in NDEs, having been an intensive care nurse for 17 years and having undertaken the UK's first long-term prospective study on them, for which she was awarded a PhD. She wrote the bestseller – The Wisdom of Near-Death Experiences – (2014), which was serialised in the – Daily Mail, and she lectures both nationally and internationally. She currently teaches at Swansea University. Kelly Walsh is the founder of the Positivity Power Movement and Love Care Share charitable foundation. Her life's work has been inspired by an NDE she had in 2009 following a suicide attempt and subsequent spiritual experiences she has had since.
