English, Conversational Topics, Book 3: Fluency Practice, Intermediate Level

Synopsis

Based on the speech plasma method, this audiobook has proven to be virtually indispensable for fluency practice at an intermediate level, helping foreign students of English master the language in the shortest possible time. A freelance journalist discusses the most common examination topics (19 main topics and more than 50 subtopics) used by schools and universities throughout the world. Narrating personal stories, she gives opinions and explains her views on a variety of subjects. When you listen to her experiences, you will be drawn into her world and feel like you made a new friend. You will get so involved into her life that you will be able to speak easily and fluently about your new friend, and about yourself, for hours and hours on end.
