Customer Reviews

WILL SHORTZ has edited The New York Times crossword puzzles since 1993. He founded and directs the American Crossword Puzzle Tournament and captains the U.S. team in the World Puzzle Championship. He is also Puzzlemaster for "Weekend Edition Sunday" on NPR. He lives in Pleasantville, New York.

A little disappointed. Why mention extreme puzzles and call it Genius Sudoku when a bunch of them are just moderate puzzles? The front cover of my copy says "200 extreme puzzles" when there are actually 200 total puzzles, 25 of them Moderate, 25 Demanding, 150 Beware Very Challenging. Still, Will Shortz is my favorite puzzle author, so I'm sure I'll enjoy solving these.

Love Will Shortz puzzles but this book of extreme puzzles has 25 moderate puzzles. The word 'Genius' and 'extreme' to describe moderate puzzles is not accurate or true.

Love Will Shortz Sudoku books. I'll only buy the difficult puzzle books, and appreciate you offer books without easy/medium puzzles included.

It's a Will Shortz Suduko book, pretty much what you would expect. The puzzles are actually more hard intermediate - akin to Frank Longo Brown Belt, not requiring any special skills to solve other than being able to ID pairs, triples and some fours

always enjoyable.

I bought the book as a gift for my wife. She really loved it because it had lots of Beware, very challenging puzzles.

Challenging and good format.

These are truly tough
