Customer Reviews

"For any wine-lover, Silver Oak's Life in a Cabernet Kitchen . . . is an absolute must. It's chock full of brilliant, delicious, and seasonal farm-to-table recipes that are perfect to pair with your favorite glass of vino. While I have to say perusing the pages made me long for a dry Chardonnay in the countryside, what won me over was the Gouda creme brulee. Yes, you read that correctly. If that's the kind of dish that gets you as excited as it does me, then be sure to check this book out!" — Popsugar.com "While the traditional way to fashion a meal is to first choose a

recipe and subsequently pick a wine based on that palate, what if you were able to do things completely differently and make your favorite bottle of wine the center of attention? In Chef Dominic Orsini's new cookbook for Silver Oak Winery, he does just that, laying out a simple formula for elevating any recipe to the level of wine at hand." Beautiful book. We bought 39 and sent to my husband's clients as gifts for the holiday season and everyone is enjoying the gift .

Amazing pictures, even if you don't cook this is just a good book to read.

Great new age of cooking book.

It was ok but too expensive

Silver Oak is one of our favorite wineries to visit when we go to Napa, so I bought this book as a gift for my fiancé and he loves it. It's a beautiful book filled with wonderful photos. Although we haven't tried any of the recipes yet, it's a great book and a perfect gift for wine lovers nonetheless.
