Friska My Friend

Customer Reviews

Patricia St.John is a skilled storyteller and a well loved and respected author. Her books have captivated children for over fifty years. All her titles have been reprinted many times and there are currently eleven in print. Total sales of English editions of her books stand at over 600,000 copies. Patricia St John is probably the best-known children's author on the Christian market. Up to her sudden death in 1993, she was constantly active in her local Coventry community keeping 'open house' to the children in the council estate where she lived. A wonderful writer whose books are models of clear Christian teaching combined with excellent story-telling skills.

Good book by a great author.

This is an excellent story for children but also enjoyed by adults. It is basically the story of redemption told in an exciting way.
