The Associate - A Harper Ross Legal Thriller

Synopsis

Harper is stuck representing Sargis' son Erik for a murder that he committed. He's good for it. All day long. Yet Harper must take on his case and find some way to get him acquitted. If she loses this case, she might lose her life. No pressure....In the meantime, she continues to struggle with her on-going battle with alcoholism. She also must train her new associate, Liam O'Neil. That proves to be a handful, for Liam has an unorthodox and colorful way of practicing law and approaching clients. At first, it's a challenge, and Harper and Liam clash. But Harper soon comes to see that Liam's way of doing things might have some hidden benefits.... Liam's first big case with Harper is a wrongful death case - one that might bring millions into the firm. Harper hopes that Liam's way of practicing law might make the firm more lucrative. That is, if he doesn't lose his law license first....With the twists and turns that you've come to expect and love, *The Associate* is a legal thriller that is not to be missed!
