Customer Reviews

This isn't a book, it's a booklet. It's only 30 pages, and all of the information is readily available on the internet for free. A simple search on Trip Advisor, Frommer's or Rick Steves will provide more information than this booklet. The description on the product page makes this claim, "Packed full of interesting and useful information for each place, this Norway travel guide is the ultimate travel accessory for discovering this exquisite country!" Each of the 14 places listed only have approximately 6 paragraphs of information. Not a good value at \$10. I am returning it to the publisher. [Top 14 Places to Visit in Norway - Top 14 Norway Travel Guide \(Includes Oslo, The Fjords, Bergen, Tromso, Trondheim, Stavanger, & More\) \(Europe Travel Series Book 43\)](#)

This is a cheesy little pamphlet with 31 pages. You'd be better off printing something from the internet.

Pretty sketchy information.

Small, light and to the point. It's a very good travel guide for such a small book.

For 10 bucks you would expect more than a pamphlet. Sure the places mentioned are cool, but spend the extra 5 bucks and get a real travel guide!

Bergen was fascinating. A wonderful mix of old and new. Recommend "Norway in a Nutshell tour". Scenic train ride, time in Flam, a boat ride down a fjord, a winding bus trip down a steep mountain and back to Voss for the train back to Bergen.

I enjoyed the photography and summaries for the top places to visit in Norway. It something nice to read on the plane to all these places.
