Explore Bali: The Best Routes Around The Island

Synopsis

For a tiny island in the world's largest archipelago, Bali is blessed with astonishing diversity, with ancient temples, hedonistic beach parties, world-class surfing and traditional villages. Explore Bali is part of a brand-new series and is the ideal pocket companion for your trip: a full-color guide containing 12 easy-to-follow routes around the island, taking in Bali's cultural hub of Ubud, the Goa Gajah (Elephant Cave) and the white-sand, crystal-clear waters of Nusa Lembongan. Insight's trademark cultural coverage sets the routes in context, with introductions to Balinese cuisine, villages where craftsmen sell their wares, and entertainment ranging from the Negara bull races to elegant temple dances. Hand-picked places to eat and drink are highlighted in each tour and in the directory section, which contains a wealth of useful practical advice, including a range of carefully selected hotels to suit all budgets. All routes are plotted on the useful pull-out map, and our evocative photography captures the essence of Balinese life.

The best routes around the island --This text refers to an alternate Paperback edition.

Wherever possible, Insight Guides use local experts who provide insider know-how and share their love and knowledge of the destination.

Not a great overall guide to Bali, but there are many good points and tips presented, such as things you should be aware of before visiting. Some information is out of date. i.e., the Visa Upon Arrival is

now \$35US, and Airport Deparure tax is now 200,000 bahts. You should buy another guide to supplement this one.

Used the book extensively on our month-long trip to Bali. Very nice info.

Detailed just enough but not too much that one can't easily get through it. I am using it to plan our trip. I am comparing this book to two others that I purchased btw.
