Customer Reviews

Skip it, missing a lot of new info that should be in there regarding the Parks. Unofficial, Passporter or Binbaum's are better books by far

Bought it more for the Universal Studios section, because we prefer that park and are visiting in May. Someone could do a little more work/updating on the Universal section. Depends on what you want it for--most will want Disney and be satisfied.

This is a good overview of the parks and attractions - I really would have liked to have seen suggested itineraries for one, two, three days in the park and so forth.

Awesome !!! Loved it!!!

excellent info

Great resources! Lots of great info if your headed to Florida!

Provided our family with informative information for our upcoming vacation.

Not at all like the Fodor's that guided me through Disney in the 80's and 90's - I love it.
