# In And Around Belfast (25 Walks Series)

## Synopsis

HMSO walking books are practical guides of carefully selected local walks, accompanied by maps and colour photographs. The 25 walks around Belfast are varied, including city parks, country parks, forest parks, hillwalks, coastal walks, towpath trails, history, heritage and culture. Some of the walks are within the city itself, while others are just outside. All are easily accessible and well used by Belfast folk. Here they are presented to a wider audience to show off the sights and scenery around the city.
