Crimes Of The Art World

Synopsis

This book offers a revealing look at the full scope of criminal activity in the art world. It is a category of crime that is far more pervasive than is generally realized. It comprises 10 chapters covering the various types of crimes common in the art world, from forgeries to theft to vandalism. It includes case studies throughout to explore the characteristics of art crime. It provides a bibliography of important books on the subject of art crime. An index of important words and terms emphasizes works of art and artists covered in the book, along with terms unique to art and art crime.
