Princess To Pleasure Slave Collection: The Forbidden Book Of Monstrous Pleasures

Synopsis

Collecting the first 21 steamy installments of the epic Princess to Pleasure Slave series for the first time! In these tales of beautiful princesses in a land of fantasy an intense encounter with a monster is lurking behind every page. These pampered princesses are faced with their worst nightmares. Sometimes they use their wits, magic, or charm to come out on top. Sometimes they succumb to the undeniable lure of forbidden pleasures. This incredible 280,000+ word anthology comes with a new foreword from Amanda Clover and covers a veritable encyclopedia of amorous monsters including goblins, orcs, minotaurs, lizardmen, slimes, sea creatures, demons, demented wizards, vengeful summoners, tentacle terrors, and many more! Whether you are thrilled by the idea of a twisted plant girl with an evil hunger or interested in kinky submission to a dark elf dominatrix, join these princesses on their journeys.
