# A Gift Of Faith: An Amish Christmas Story

## Synopsis

It's a warm summer evening when Jonas King, the bishop within his church district, finds himself faced with an enormous test of faith. For several months, he is left pondering his losses and how it fits into God's plan. How could God desert him when he has been such a pious follower of His Word? The community tries to help him through his trials but Jonas is resistant. It takes an amazing Christmas miracle to open his eyes to the every day nature of God's gifts to the world. Can his faith be saved in time?

## Customer Reviews

The book was very well written with a little suspense. It was about a bishop who had many hardaches and how he came through it.

This is a story of a Bishop that had lost his faith after a terrible accident that took his wife. He was in a depressed state for months ,then a shocking finding brought him back. Without giving the story

away , even I was shocked at the turn . Please read this book it will help you in more ways than you know. An exciting and surprising ending. God bless our sweet Author Sarah Price for all her Clean Christian books .

great

I do not like novellas but this one is pretty good. It has a timeless message forgive and have faith. I prefer longer books and more character and story development. However anyone reading this will enjoy it.

I enjoyed this book. It is not a long story, but a powerful one of forgiveness. It is such an inspirational story for someone who is struggling with forgiving God for an unexpected death of a loved one. I would recommend it to anyone, but especially someone who has a bitterness toward God for a death of a loved one.

Loved the book will share it with my friends great Christmas book and would be a great Christmas gift for readers

It is a very good story of losing Faith in God; and in return finding it again. After losing a loved ones family member and saving another family member. The book keeps your attention.

Although this is a short story and doesn't allow for extensive character development, it is a good short story. It has a Christian theme, but it is not overpowering or completely predictable, as some Christian novels can be. It was perfect for the short breaks you hope to have during the busy holidays.
