57 Southern Comfort Food Recipes (57 Recipe Series Book 6)

Synopsis

When you go out to a restaurant, and the menu offers “comfort food”, what would you expect to get? The answer really depends on just who you are, because comfort foods are memories. They’re like edible time machines, that remind you of something (or someone), from your past. And from that first bite, you’re transported back. They make you smile and remember. That is what I went for here. Comfort recipes that will bring back memories and create smiles. So grab your copy today!
