Product Dimensions: 9.4 x 3.9 x 0.5 inches

Shipping Weight: 1.6 ounces

Average Customer Review: 3.9 out of 5 stars 9 customer reviews

Best Sellers Rank: #1,605,699 in Books (See Top 100 in Books) #68 in [Books > Travel > Europe > Belarus & Ukraine > General](#) #2725 in [Books > Reference > Atlases & Maps > Travel Maps](#) #3682 in [Books > Travel > Reference > Atlases & Maps](#)

## Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

Other than the beautiful color picture on the front of the map, its not worth the paper its printed on. The map unfolds into a view of a million to one ratio of Ukraine. There is no "key" or guides for what you are looking at. No street guides, nothing. Just a gigantic map of an entire country, crunched down into a nearly unreadable format. It would be impossible to navigate this country with this map. I know, I just came back from my trip. I tried to give the map as a gift to the people i was visiting, and no one wanted it. I ended up throwing this map in the trash. I couldn't even use it for fireplace starter material. Don't waste your money on this cute picture.

The map is huge and detailed. Only problem I had with it was that the map gets cut in half for exactly where I needed it so you have to keep flipping the map over from front to back

Excellent large scale map of the country with lots of detail. Sufficiently detailed to follow progress of events in the Donbas War on the ground.

Wished we had the entire country on one side of the map. This is being displayed on the wall of our family room because our son is serving an LDS mission in Ukraine.

While the map covers a large area and is very comprehensive, it is also very large and unwieldy and for this reason was not as useful as I had hoped.

OK

Very helpful in planning my trip to the Ukraine. I would recommend this map to others. Can write a better review after my visit.

Great memories
