Gentlemen Prefer Heiresses

Synopsis

Lord Andrew Mabry, the second son of the Duke of Greystone, has no desire to marry. As the spare, he has no obligation to provide an heir and he rather enjoys spending his days and nights in play with the demimonde. But more and more of late, he finds himself wanting to play naughty games with the American heiress, Gina Hammersley. After her scandalous older sister marries a marquess, Gina Hammersley suddenly finds herself the darling of London with beaux a plenty calling on her, sending flowers, and filling her dance cards. Unfortunately, the one she desires most is the one who has no wish to be caught in the marriage trap: Lord Andrew Mabry. But when they are discovered in a compromising situation, this unlikely pair must decide whether to face scandal or discover if the passion they've always felt is strong enough to lead them into love.

Customer Reviews

Frannie and Sterling's baby boy gets his story! Lord Andrew Mabry, the lovable rogue finds himself unwillingly attracted to Gina Hammersley, the younger innocent sister of his new sister in law. Well, we expected this outcome from his attentions toward Gina in the last book. Lorraine Heath provides us with a satisfying HEA for our dear couple filled with desire, passion and much witty dialogue. It

was nice to revisit some of the usual suspects in the private gaming room of the Twin Dragons. Their cheating card games always crack me up. Who's next!?

I love regency romances! I've read all of this author's books and liked them, even loved some. This was a good book, but I pre-ordered it some time back and didn't realize how short it is. The premise was fairly bland - duke's spare and American heiress fall in love. The heroine, Miss Virginia Hammersley, Gina, was compelling - beautiful and sweet and adventurous. The hero, Lord Andrew Mabry, was also compelling - handsome and aristocratic and fun, if a bit stubborn. They had good chemistry. The storyline was short and simple, but sweet. Overall, a good book.

Gina was on the search for information about life and love. Andrew isn't about to let anyone but show her but him. He doesn't want to marry but he might make an exception with Gina!! Get interaction between all concerned and a happy ever after!ÃfÃ ªÃ ª™Ã ª¢

I really liked Lord Andrew in the previous books in the series. He is a rake. The most fun is reading a fun tale of a rake falling madly in love. I enjoyed this book & love all the characters from past books popping up. A nice family reunion.

Couldn't ask for a better story! It was nice and different he wasn't a Duke he wasn't titled. Gina and Andrew were so good together. Funny , adventurous it was a really good story!

Thank you Lorraine for another great series. This story captivated my attention and loved how Gina was so adventurous. Andrew knew she wasn't dull!

Gina and Andrew were my favorite minor characters from An Affair with a Notorious Heiress, so I was happy that they got their own story. Gentlemen Prefer Heiresses is a fun, hot, romantic love story. Gina and Andrew are lively, fresh, and electric. It's was such a joy to see how they found their way to each other.

I loved reading the romance between Gina and Andrew!! It was a great ending to the series!! You will enjoy it.
