Why Men Love Bitches: From Doormat To Dreamgirl—A Woman's Guide To Holding Her Own In A Relationship

Synopsis

Do you feel like you are too nice? Sherry Argov's *Why Men Love Bitches* delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: Why are men so romantic in the beginning and why do they change? Why do men take nice girls for granted? Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Customer Reviews

Contending that some women are "too nice," comedian and radio show host Sherry Argov has written *Why Men Love Bitches: From Doormat to Dreamgirl-A Woman's Guide to Holding Her Own in a Relationship*. "I'm not recommending that a woman have an abrasive disposition," Argov writes, "The woman I'm describing is kind yet strong. She doesn't give up her life, and she won't chase a man." Her sassy book is filled with scenarios and advice aimed at making women subtly stronger and self-empowered. Argov's principles, which range from the farfetched to the downright absurd, include "If you give him a feeling of power, he'll want to protect you and he'll want to give you the

world" and "A little distance combined with the appearance of self-control makes him nervous that he may be losing you." The book, which has already been featured on The View and The O'Reilly Factor, should make waves with its controversial view of relationships. Copyright 2002 Reed Business Information, Inc.

Ã¢ "A self-help classic.Ã¢ (Daily Mail)Ã¢ "AmericaÃ¢ "s top relationship guide.Ã¢ (The Book Tribe)Ã¢ "One of Ã¢ "The 10 Most Iconic Relationship Books of the Past Ten Years.Ã¢ "Ã¢ (Yahoo!)Ã¢ "Men donÃ¢ "t really go for Ã¢ "Ã¢ nice.Ã¢ "Ã¢ They go for Ã¢ "Ã¢ interesting.Ã¢ "Ã¢ (Chicago Sun-Times)Ã¢ "WeÃ¢ "re talking about having so much self-respect, Aretha Franklin would high-five you.Ã¢ "Ã¢ (Los Angeles Times)Ã¢ "The pejorative meaning of the word Ã¢ "bitchÃ¢ "Ã¢ has been reclaimed... it means a strong, feisty woman who has moxie, and knows when to use it. A bitch is... sap free.Ã¢ "Ã¢ (Pursuit Magazine)Ã¢ "Ã¢ "[Argov is] talking about a strong woman. Someone who knows what sheÃ¢ "s doing in life. Someone who will share the load, but who will stand her ground.Ã¢ "Ã¢ (Joy Behar, Co-host of The View)Ã¢ "Sherry Argov shows women how to transform a casual relationship into a committed one.Ã¢ "Ã¢ (The Today Show)Ã¢ "The Best of Culture.Ã¢ "Ã¢ (Esquire)Ã¢ "Ã¢ A hot book!Ã¢ "Ã¢ (Fox News Channel)Ã¢ "Ã¢ A must-read at Sunday brunch.Ã¢ "Ã¢ (New York Daily News)Ã¢ "Ã¢ Why Men Love Bitches flew off the shelves.... Men thrive with women who can set boundaries and who push back when they try to cross the line.Ã¢ "Ã¢ (Cosmopolitan)Ã¢ "Ã¢ An anti-whining manifesto that encourages women who feel like doormats to develop a sense of independence.Ã¢ "Ã¢ (Playboy)Ã¢ "Ã¢ Ultimately Sherry ArgovÃ¢ "Ã¢ s message boils down to one of confidence and self respect, which, letÃ¢ "Ã¢ s face it...itÃ¢ "Ã¢ the only sane way to go. In short...stay for the sage advice.Ã¢ "Ã¢ (Glo MSN)

2 years ago, this book completely changed my life. This is a lengthy review because that's how much of an impact this book has made for me. First off, let me start by telling you about me. I'm in my 20s, educated, and have a great career. I always had confidence but I never knew how to bring it out and when I did, I was scared of coming off "too strong," or hurt someone's feeling. This book shifted my mindset completely. It was 2015 and I had felt like I met the love of my life. He was charming, tall, sunkissed complexion, well established, funny, and not to be served for America - how much more can I get? I pinched myself constantly. As the weeks went by, the curiosity of me finding someone "so perfect" that was single started to dawn on me. I just couldn't believe how so

unexpected, I had met "the love of my life." To ease my curiosity, I repeatedly asked if was seeing someone, whom, after many repeated questions he finally say "Yes. But I met her 2 weeks before you and I just don't know what to do." I felt like my whole world crash down within 2 minutes. I asked him "What is it about her you like?" He mentioned things about her that this book had mentioned, "She has a life of her own, she doesn't need me but wants me and she's just a BITCH. But in a good way - I can't explain it!" At the time I didn't realize why he was drawn to her. I questioned, "A bitch? Who wants to date a bitch? Who wants to date something that doesn't invest time in you?" But when we finally met.. I realized why. Long story short, I ran out his house crying so hard I lost my balance and hit the floor, on my hands and knees. I looked back to see he wasn't chasing me, but instead shaking his head in disappointment. I went to my car, shut the door, and sat there crying on my steering wheel in broad daylight. After my tears sobered up, I felt angry because I knew this wasn't who I was (to cry over a guy) and how stupid I looked. I decided to go to a bookstore to read on "self help" books, I was that serious on NEVER EVER crying over a guy. He was my first and my last. I came across this book and what caught my attention was "BITCH". The words of him describing the other girl played in my head over and over - I HAD to read this book. Within 2 days I finished the book and my life did a complete 180. I must admit today it's still a power struggle but I am no longer that "weak" girl who's "scared" of being confident because it's going to "offend" someone. I am utterly myself with no regrets. This book isn't about how to get a man (which is honestly why I read it based on the title) but a book of self-empowerment and how to drive that energy into full gear. It was the push I needed to drive my little ego up the wall. It helps mold you into whom you want to be without telling you who you HAVE to be. Don't be that girl that cares about what he thinks, says or do. Don't be that girl that waits 3 hours on a date to find out he stood you up. DON'T BE "THAT" GIRL. After reading this book I realized the whole time I was "THAT" girl, and the other girl was the BITCH. I highly recommend this book so much. It's not boring and it's so insightful. It's not the "cliche" advice you hear. It helps you handle difficult situations from relationships to sex to even why he does things. Remember, men wear the pants, but woman control the zipper :)

My daughter's and grand daughter's. Friends and strangers talk about this book so much I thought I should get it. I'm not disappointed. It is very good for helping women see themselves from a different perspective. As well as to set healthy boundaries that strengthen the woman and others around her. The total says "Why Men Love Bitches". I think that could translate to 'Why men love strong confident women who help them bring out the best in themselves and are companions.' To

long of a title. But great book. I will be gifting this in the near future.

I really liked this book, it helped me see where I may have made mistakes in the past, I believe this book is very empowering and will help any women whether she is way too nice or just a little too nice...I would definitely recommend it to anyone regardless of the current relation status.

Such a good read with exceptional ideas and information. Obviously you have to take what you read with a grain of salt, but this is a fab read. It gives so many ideas for confidence and effort into a relationship and whether or not it is worth it!

This is a good book about finding your own and standing your ground in a relationship. Some of the advice is a bit out there, but I enjoyed the read.

I purchased this book through prime, but by a third party seller. The book I received was an older publication and did not have the added chapter as shown on the cover in the red circle. It is a very good book and I would have given it five stars if it had the extra chapter as advertised. It is a real eye-opener about relationships and how women think differently than men and how women can keep their own interests, hobbies, independence, and self respect with-in a relationship. It shows how these principles will keep a good man attracted, and when you should throw the rest to the curb. Well written...excellent read ! I returned the edition without the additional chapter because I wanted the newest edition. A book definitely worth the time and effort and I believe a good resource if put in practice !

Every woman should read this book! It's not about being a "bitch" in the derogatory sense. It's about becoming an independent woman with her own values.If you've ever "lost yourself" in a relationship, read this! I apply it to my friendships as well.

Every woman needs to read this book. It's a life changer
