Synopsis

****NOTE:** This volume is now also available as a free bonus story in Melanie Marks' middle school book: LOVE ...maybe... Wars. After Annika is heartbreakingly wounded the most popular boy at her middle school (the boy she craved for a boyfriend), she runs away to an all-girl boarding school and focuses on ballet, believing she is doomed to never have another boy in her life. She can only cause them tragedy. But suddenly, Annika is receiving sweet, romantic gifts from a secret admirer. Annika would be touched if she wasn't so terrified. This book is ok I kind of got confused in the ending because the stalker boy is watching annika then he says he is annika's brother. But the only problem is that he is a cpk. (Camp pines kid) all the pines kids are evil and are killing each other. I'm going to start reading the second book right now.

I think people who would actually read this book would give the same rating as I did. Okay, okay, I LOVE this book SO much, I admire how you put it in such detail, I can picture it easily in my head.^-^

She is done reading but likes to read it over and over..... Thanks so much for this I will order more in the future.

Awesome book leading to an awesome series I could not put it down I had to finish it the day I got it

It's a fun filled book I guess but I really don't know what else to put so la la la

OW. MY. GOD this is AWESOME this is the most amazing book I've ever read!! Melanie Marks your AWESOME at writing

I liked the book but it was short! Also I thought the ending was weird but it was a cute book

This is a total COPY from "A Demons Kiss" Except it's broken into volumes! You know you're just wasting more money on 3 volumes although you could just buy the whole freakin' entire book, "A Demons Kiss" right??? I'm not kidding. The WHOLE book is copied! Even the names, the wordings...OMG how did this "book" even get published???
