Customer Reviews

Warning ! This is not a folded map... it is a turn page map. Horrible. The scale isn't stated. Totally uninspired. Boring. Persian names are so small you need a magnifying glass to decipher them. This series of map could have been such an amazing idea. I knew something was up when the entire content wasn't showed on the preview so I ordered just one map. I am glad I did that. What a shame... I have never returned anything but this is a joke - returning this rubbish immediately !
