How To Speak Serbian Language: A Practical Guide For Travelers

SERBIAN

A practical guide to learning how to speak Serbian

Synopsis

How To Speak Serbian is a practical guide for travellers that will show you the basics of Serbian Language. You will learn alphabet, pronunciation, grammar, vocabulary with common phrases and frequently asked questions. You will find no abstract grammar rules or useless vocabulary, but everyday vocabulary that you can really use and grammar rules applied in contexts that is familiar and understandable. We will use words like "sit" (sedeti), "eat" (jesti), "table" (sto), "phone" (telefon) or "newspaper" (novine) as it is practical and useful. How to Speak Serbian can be difficult, but it is also useful and rewarding. So, do not give up and try to have fun.

Customer Reviews

The content is pretty useful, but I think no one bothered to edit it when they converted it for Kindle. The font choices and formatting are a mess. Be prepared to spend a bit of time sorting out things and what columns things belong etc. because it's a badly-converted Kindle document. I really wish

folks would put a little more effort into these conversions. There are other available books (in this language and others) where a lot better job was done in producing the digital edition. So summary: glad to see the content, not so thrilled with the visual presentation!
