Customer Reviews

Was a good addition to my grandson's package. This little book will be very helpful as he heads off to college and dorm living.

The little booklet is so cute. Lots of interesting information and easy read.

I graduated from college in 1966, but the information in this book is universally helpful to all college students. I have given a copy to my 20 year old grandson.

This handbook brought my attention to how I can handle/survive through my first semester with the many helpful hacks and clever approaches to any situation! It's a fun and short read. Thank you, Ms. Thornburgh!

Seniors in high school should all read this BEFORE applying and going to college. Fore Warned Is Fore Armed. Go Baby Go! Thank you Blair Thornburgh and .

This is a perfect little book to get all the students you know that are college-bound. I order them 10 at a time to bring to graduation parties.

Wise advice from someone who has been there.

This little book has been a big hit with the grads. It's got fun "stuff" & lots of useful information.
