## Customer Reviews

Couldn't find these quarter coin folders locally. Hard to keep a collection going without them. Now I have them and my quarters are sorted and organized. Don't let the local coin stores limit you collections.

I bought my first quarter collection book years ago. I assumed this one would be just like the old one. For the most part it is, but it is smaller and the quarters are extremely difficult to get into the holes. I had to use a glass to push them down and make them stay. It looks great, however, and I'm pleased with my purchase.

I needed a coin book and this one does fine It doesn't have a protective clear plastic sleeve to cover each coin but it is ok..

This book holds the quarters just like it should. It is a great addition to the quarter collection I started with the state quarters.

Always love a coin book. Cheap and fun entertainment for all ages.

It does the job although I wish I could find the earlier hard folder like the one I started with.

Love.

Thank you!
