THE HISTORY OF JAMAICA FROM 1494 TO 1838 (JAMAICA INSULA)

Synopsis

No other history book about Jamaica will take you so deep to the heart of the action! Modern writing and the extensive quotes from ancient writers perfectly complement each other. This book will take you on a voyage through time. From the arrival of Columbus, to the taverns of Port Royal, to the runaway slaves who defeated the English to the slaves' rebellions and everyday life. THE FIRST HISTORY OF JAMAICA WRITTEN BY A FRENCH and to be published in France since 1751! Get ready for a journey to the West Indies, where the New World was born...

Customer Reviews

Intensive history of the colonization of the Caribbean islands with Jamaica as it's main subject but not only. To understand the many influences on the island this history expounds on the history of Europe itself, it's conquest of the New World , it's wars, and it's utter brutality towards all that is not European, meaning the indigenous people of the island and the slaves. It explores the history of the Buccaneers, the pirates, and the Maroons. First hand sources are used.The style of writing takes some getting used and is not always chronological but the presentation is good and thorough.A major drawback is the lack of a table of contents. it would be hard to share as a reference material

for this reason.

Great read
