Customer Reviews

I recently started a new job working for an IP Software Company. I have an extensive background in Software Development and Services, but had never been exposed to Intellectual Property before. This "cheat sheet" was perfect to bring me up to speed on the processes and terminology used in this subject area.

Not updated for AIA.

Was great and helped me study, I got an A in the class.

Brief but very informative.

Great product. Thanks scully

Helpful.

It's great

excellent
